Product Parameters

USB input voltage:	DC5V/ 2A (USB cannot be used with dry battery, only rechargeable battery)
Battery:	DC3V LR03*2 (Not Include)
Standby current:	≤ 75uA
Alarming current:	≤ 70mA
Low-voltage notification:	≤ 2.2V
WiFi:	802.11b/g/n
Detection distance:	6M
Detection angle:	360° ceiling – installation
Installation method:	ceiling / wall
Working temperature:	-10-50°C
Working humidity:	≤ 95%RH
